

POWERING THE FUTURE

Quality
that fits your
Budget!!

The Perfect Blend of Style and Functionality in Modular Switches. The series **A-CLASS** is inspired by the latin word "vine", the symbol of growth and prosperity. They are designed to reflect your growth, prosperity, status and success.

About Sipon Electrical Industries

At Sipon Electrical Industries, we take pride in engineering electrical solutions that fuse functionality with elegance. With a strong commitment to design, safety, and innovation, we manufacture a premium range of modular switches, MCBs, chargers, sockets, dimmers, and regulators that elevate everyday living.

Our products are the result of advanced manufacturing practices and rigorous quality testing — ensuring unmatched reliability, high safety standards, and a seamless user experience. Every frame, every component is designed not just to perform, but to inspire.

Driven by a mission to deliver excellence in every connection, we focus on crafting products that offer long-lasting durability and aesthetic value. From bold contemporary tones to refined classics, our designs effortlessly enhance modern interiors.

At Sipon, we believe that great design sparks progress. And progress shapes a future that's smarter, safer, and more beautiful. We are building that future — one switch at a time.
